

WORKSHOP CRANE

COMPACT CRANE

series
WC

- The wire control allows you to lift the load with one hand and maneuver it to the correct position with the other.
- 2 Lifting and downing speeds: the remote control buttons have a double click for select the speed of the arm.

- Lift and extension with hydraulic system
- The structure is shock resistant in case of falls of less than one meter from the ground.
- The push-button panel allows the 4 movements of the arm, the horn and the emergency stop in case of need.
