Internal Manhole Housing Grab

The ideal grab for the transport of manhole grates according to DIN EN 124, DIN 1229

- For the transport of housing and cover with manhole cover vents* according to EN 124 /DIN 1229.
- Great safety due to huge lever force.
- Sling instead of chain/rope: low weight, no twisting, no injuries.
- Simply pull stop bolt to pick up the load.
- Automatic opening due to spring tension.
- Easy handling by compact and convenient construction.
- The equipment is galvanized.

* The manhole cover vents are not standard. Therefore it cannot be guaranteed that both load hooks fit each individual cover.
