

Worker™

by **Multi Trolley**®

Big building job? Lots of heavy panels?
Let the **Multi Trolley Worker** bear the burden.

Larger than the standard Multi Trolley, the **Worker** provides you with stable and secure handling of large, predominantly flat items.

Available in 2 standard configurations, as well as hundreds of personalised forms, the **Worker** is as versatile as you need it to be.

Worker Auto – specially configured for safe handling of vehicle doors, windscreens and body panels.

Worker Build – ideal for transporting building panels, glazing, doors, table tops and surfaces.

Whatever you're moving, from priceless works of art to ancient stone tablets, the Multi Trolley **Worker** gets the job done.
